Final Episode!

Episode 7: Why a Church?

How do I access this man who lived 2000 years ago? How do I live this call of love? We uniquely encounter the love of God in His Church. But really? The Church? There are so many negative views of the Church. It's out of touch. It's full of bad people. It's just too boring. Maybe when we say "The Church" we mean a little more. The church is the family of God that's been lovingly gathered through our entire story. It's the place we were meant to encounter His grace that prepares us for every step of life. The God that is love knows how we're made – material and spiritual – we need tangible ways to live our faith. We can't be spiritual but not religious. This is where we'll find ultimate happiness in life. This is where the God that has been seeking humanity, who wrote the deepest desires onto our human hearts, encounters us. Jesus' first words to humanity in the Gospel of John are "what do you seek?" The one that asked the question not only knows the answer, He is the answer. The answers to everything. And you find him most profoundly here in His Church.

You are welcome to bring a small plate of baking or other snacks to share with our participants! Thank you!

First Friday Eucharistic Adoration
