Petition to the House of Commons Regarding MAID

After Mass today, the Terrace Pro Life Education Society is providing two ways to support vulnerable Canadians.

First, there is an opportunity to sign a petition to the House of Commons concerning safeguards within Canada's **Medical Assistance in Dying**. The petition asks that several concrete steps be taken to protect people who are vulnerable because of disability, disease, or mental illness.

The second is to participate in the **"#IGotBetter"** Campaign which is a direct response to Bill C 218's proposal to expand MAID to those suffering from mental illness alone. Many of us know the anguish of mental illness or suicidal thoughts. Your story of recovery can be another person's hope. The **"#IGotBetter"** campaign is a place to share your story and inspire others. Stories may be emailed to: Andrew.Lawton@parl.gc.ca. Further details about the campaign, as well as the petition to the House of Commons, are available at the table in St. Mark's room. Thank you.
